### TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Ms. Valasani Vyshnavi** has successfully completed her **internship with Centle India** from **July 2025 to October 2025**.

During her internship, she worked as a **Full Stack Developer with GenAI**, contributing to the development of an **AI-driven Job Portal System**. The project involved building a scalable web application supported by automated data scraping and Generative AI-powered job insights.

#### Her key responsibilities included:

- Developing full-stack features and APIs for the job portal platform.
- Creating automated data-scraping pipelines for job and company information.
- Integrating GenAI tools for job recommendations, resume insights, and improved search.
- Enhancing the UI/UX and ensuring responsive, user-friendly design.
- Participating in testing, debugging, and continuous improvements.

We found **Ms. Valasani Vyshnavi** to be sincere, dedicated, and proactive throughout her internship.

We wish her continued success in her future endeavors.
